Macquarie University

Distinctive, progressive, and transformational

Macquarie University was established in 1964 as a bold experiment in higher education. Built to break from traditions and work in tandem with industry, we strive for the extraordinary by challenging convention and embracing different views.
In recognition of the Aboriginal country on which Macquarie University is situated, our main campus in Macquarie Park is known as the Wallumattagal Campus.

Macquarie University College and the English Medium of Instruction (EMI) Centre

The Macquarie University English Medium of Instruction (EMI) Centre is a world first that focuses exclusively on English Medium Instruction and its associated practice.
The EMI Centre works directly with Government Departments and Higher Education institutions in Taiwan, Vietnam, South Korea and China to broaden staff capabilities and enhance institutional reputation.
By harnessing our expertise in language, leadership, TESOL, CLIL and EMI teaching methodologies, you can exceed your staff and student academic and linguistic outcomes.
We engage directly with educational professionals around the world through our Global EMI Symposia, which are designed to share best practice in EMI education.
Our course offerings include English language preparation, Foundation studies (an alternative to high-school year 12), Masters' Qualifying Program, and Diplomas of Commerce, Business, Business Analytics, Game Design, Information Technology, Media and Communication, Engineering and Software Engineering.

Ranked #8 in Australia for employment outcomes

Feedback

"It was a good opportunity to learn history, culture, and language in Australia.

"Buddy Program- We could communicate with students who are interested in Japan.

"I have more confidence in speaking English than before. I found Macquarie University and Australia to be a wonderful place.

"Some short English presentation practices were satisfying for me. I think the skill I acquired here will be useful for my career.
